

Northern Right Whale

I am extremely rare in U.K. waters; the last sighting of me was north of the Shetland Isles in July 2000

Atlantic White Sided Dolphin

You can spot me mainly off the coast of Northern Scotland

White-beaked Dolphin

You can spot me in the North Sea and off the West Coast of Scotland

Sperm Whale

You can spot me off the West Coast of Ireland and Northern Scotland

Long Finned Pilot Whale

You can spot me west of Ireland and north of Scotland

Minke Whale

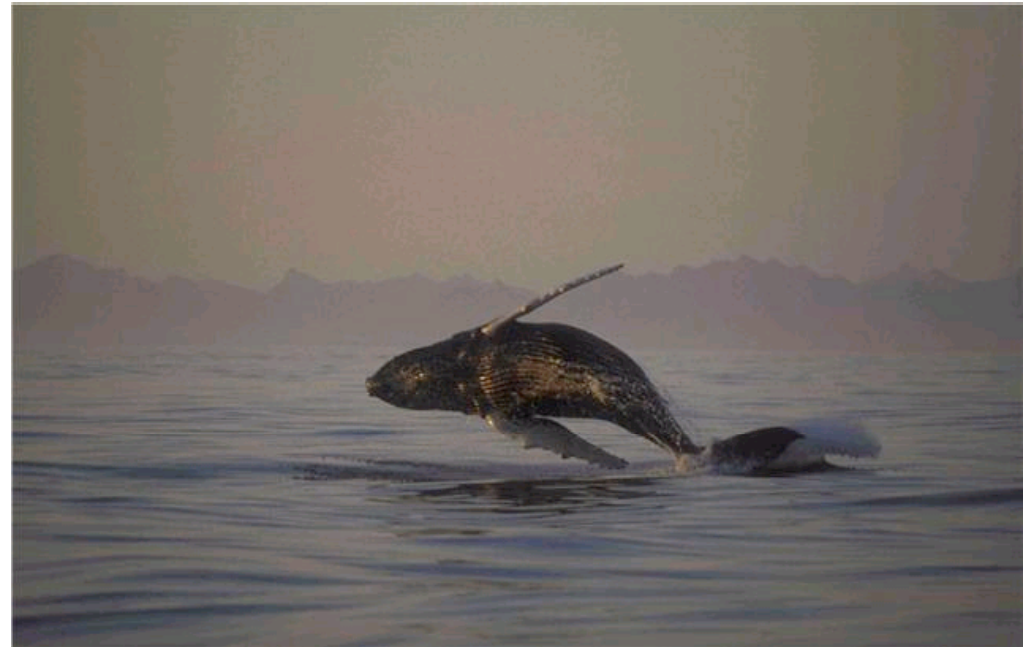

You can spot me around the coasts of Scotland, in the Irish and North Seas and west of Ireland

Fin Whale

You can spot me mainly off the coast of Southern Ireland, as well as in the southern Irish Sea and Northern Scotland

Humpback Whale

I am rare in U.K. waters, but you may sometimes spot me in northern Scotland and in the Irish Sea; I can be seen more often off Irish coasts

Orca

You may spot me in Northern and Western Scotland and in Western Ireland

Bottlenose Dolphin

You may spot me particularly in The Moray Firth in Eastern Scotland or in Cardigan Bay in West Wales
